

# PANORAMA 1983

Michael,

You're really nice. I wish  
I could say all the time but,  
well we'll leave it at that.  
You really are sweet. Good  
luck in everything. I hope  
we can be friends forever.

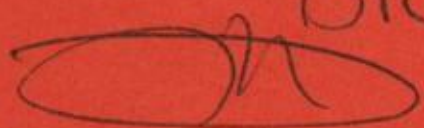

Love,  
Alana

Michael,

It's been really great having  
4th period with you. And I  
hope we have some classes  
together next year. Stay out  
of trouble. And stay sweet.

Love  
ya.

Jennifer  
Brock

Michael, you are  
a real nice  
guy. I enjoyed  
having you in  
Mr. French's room.  
Love,  
Jillane

Michael,

I don't really know you that well  
but I would like to get to know  
you better. You seem to be real  
sweet. Love

ya,

Tammy

"Michael Knight" L/S Wendy Benton 1983

Michael,

I hope you and  
wendy get married  
and have a bunch  
of kids soon. I

know we are gonna  
have some classes  
together next year  
because we have  
all the same sub-  
jects. I hope you  
have a great summer.

Travis  
Williams

Cool,

Well the last few years we  
have really got to be friends. But  
this year we have got to be  
best friends. I hope you and  
Wendy stay together for a long  
time, because ya'll make a good  
couple. I hope we get to go  
fishing together during the summer.

Michael.

To a nice Friend  
I know you had  
a good time in miss  
Lopp's class. good  
luck with your girl-  
friend wendy. have  
a great summer.

see ya next  
year

Mike, Been nice  
giving Mr Haun H-11  
this year hope to have  
classes with you next  
year.

Jason.

Mike,  
I'm glad to be so  
blessed as to  
be able to sign  
your annual,  
H. Collins

Mike  
You're a nice  
guy and it's ok.  
Just kidding you can't go agilitis  
maybe you will someday  
Hope to see you next  
year.

Joshley

Mike,  
I've been  
you these  
years, and  
playing on the  
same team  
with you, (even  
I hope to see  
you later, you in  
the future.)  
I hope to see  
you later, you in  
the future.

Mike, you are dumb

Bye

Erin

Mike,  
You're a very  
sweet person +  
I have enjoyed  
having you around  
in 8th to pick on! No  
just kidding. I hope  
we have an English  
class or, something  
together next year!

Love ya,  
Lisa  
Bowen

Mike,  
It's been great having  
you in French class this year.  
I'm real glad I got to know  
you! Have a wonderful summer

# THE FACTS OF LIFE

We are all growing up and will soon be out on our own in this world where things can and will be difficult.

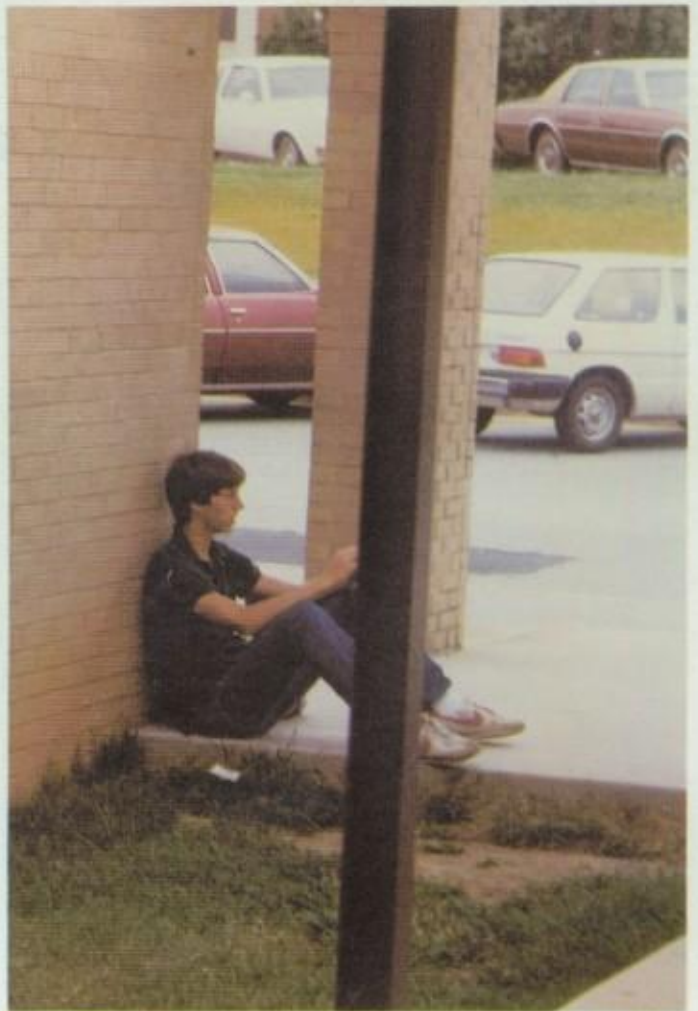

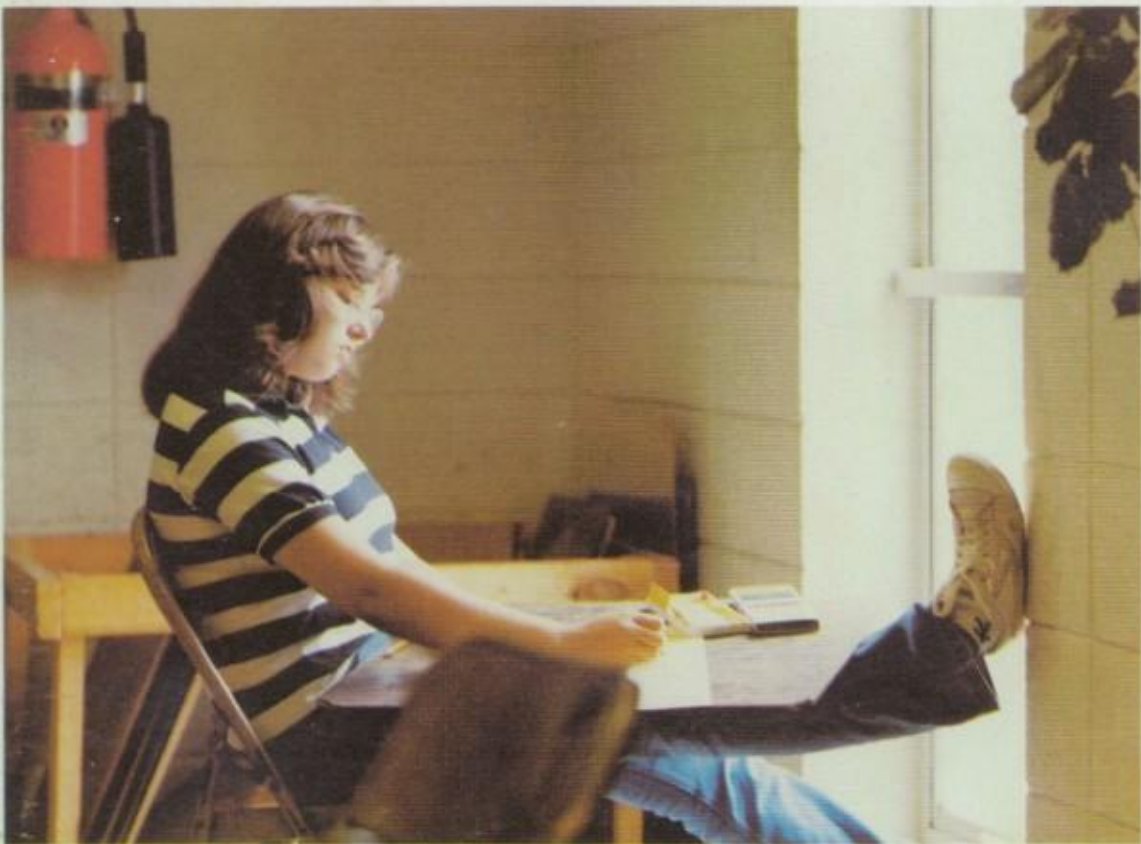

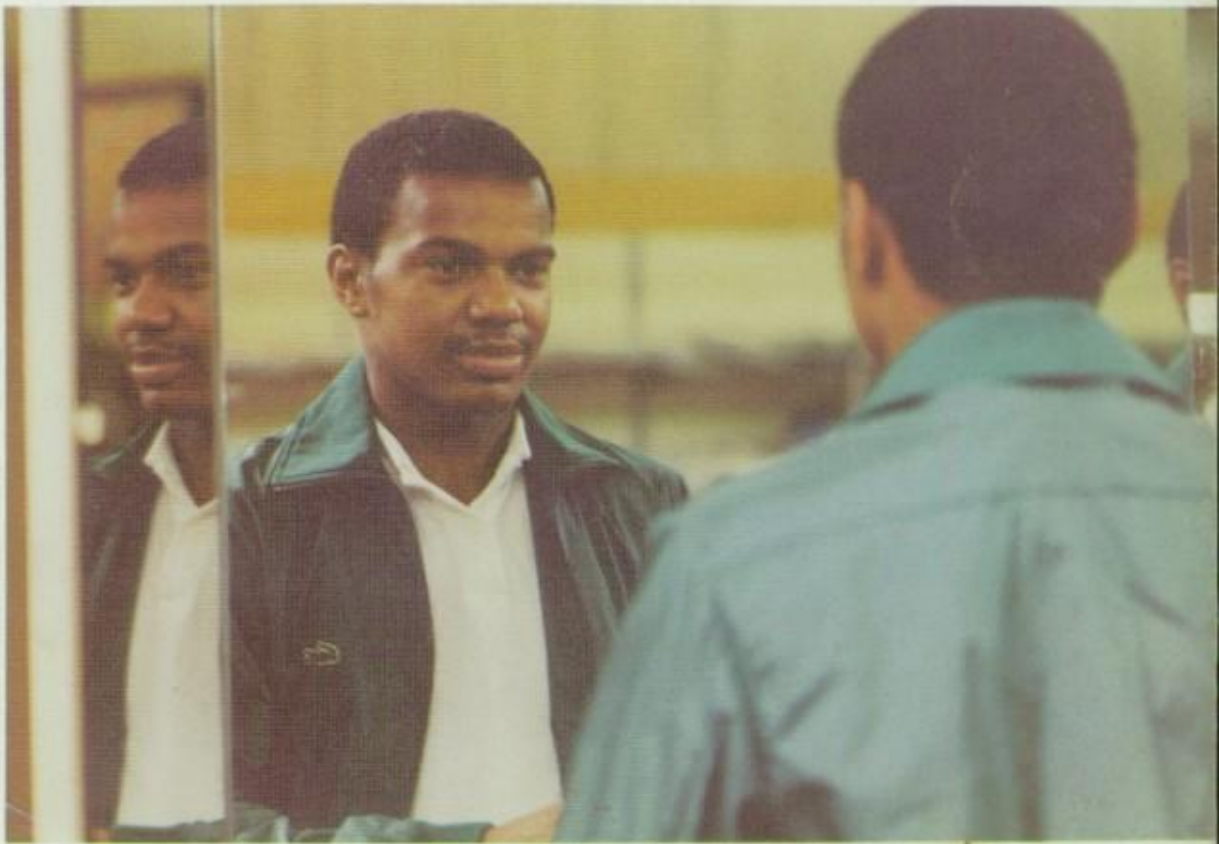

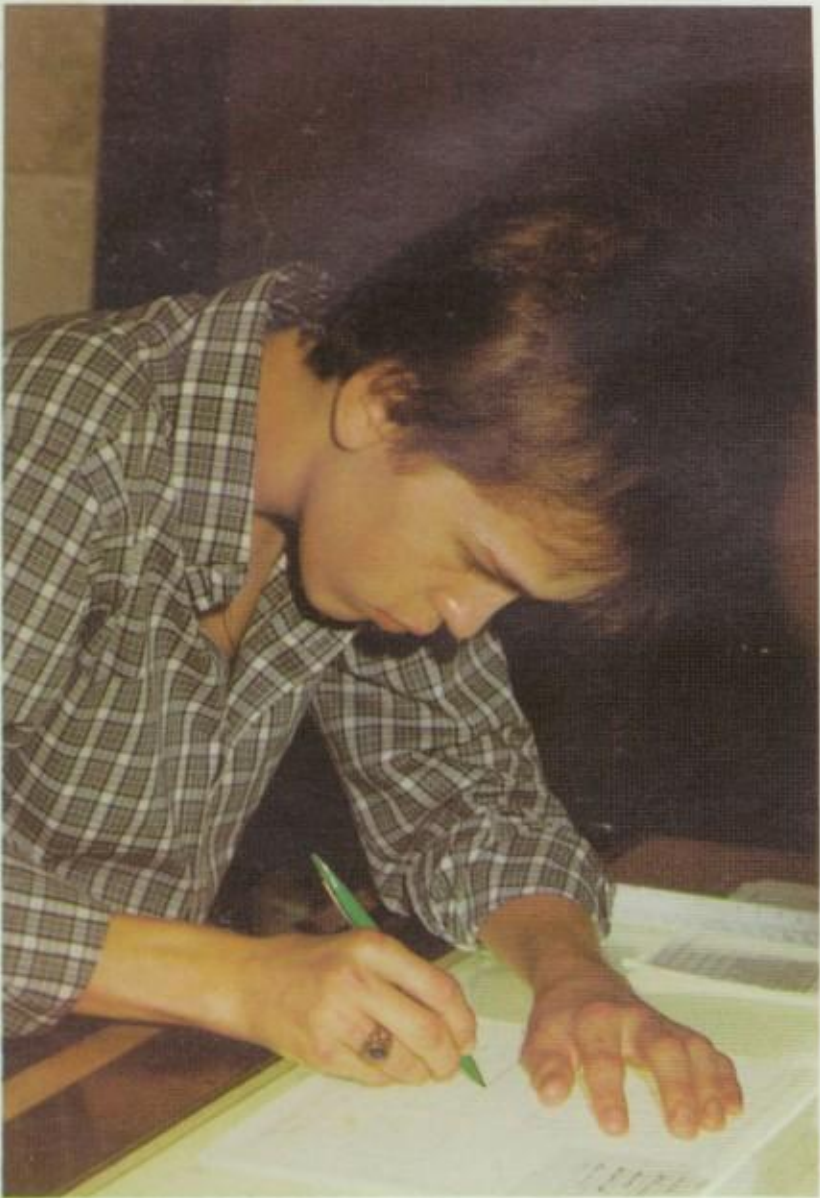

Many changes will occur in our lives. Most of us will further our education and get a job. We will eventually marry and have a family of our own. There will also be many important decisions to make concerning our families. Will our children go to college? If so, how will we pay for it? What rules are we going to have? What standards are we going to set? These decisions will affect our children for the rest of their lives.

We will all experience bad times as well as good times. For now we must do our best and study to show ourselves and others that we have what it takes to reach our goals.

Times will never again be as simple and as easy for us as they are now. We can never change the past, but we can change the present and the future. Each minute that passes can be only a memory for us because we can't recapture time . . . and that's one of the many facts of life.

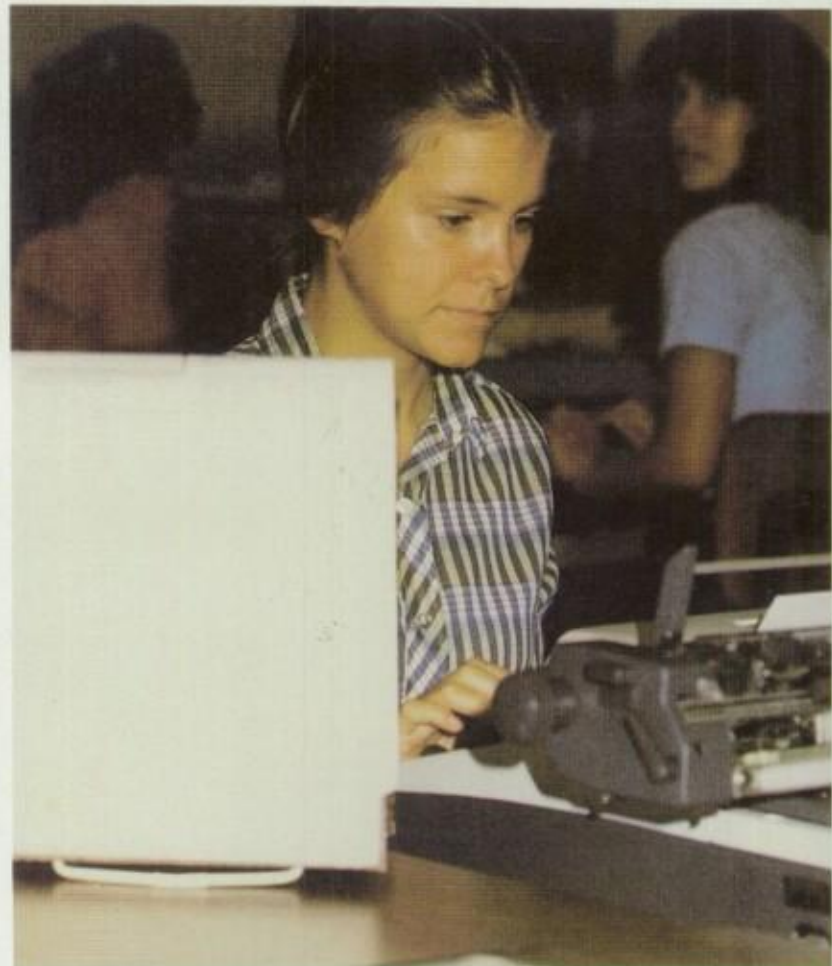

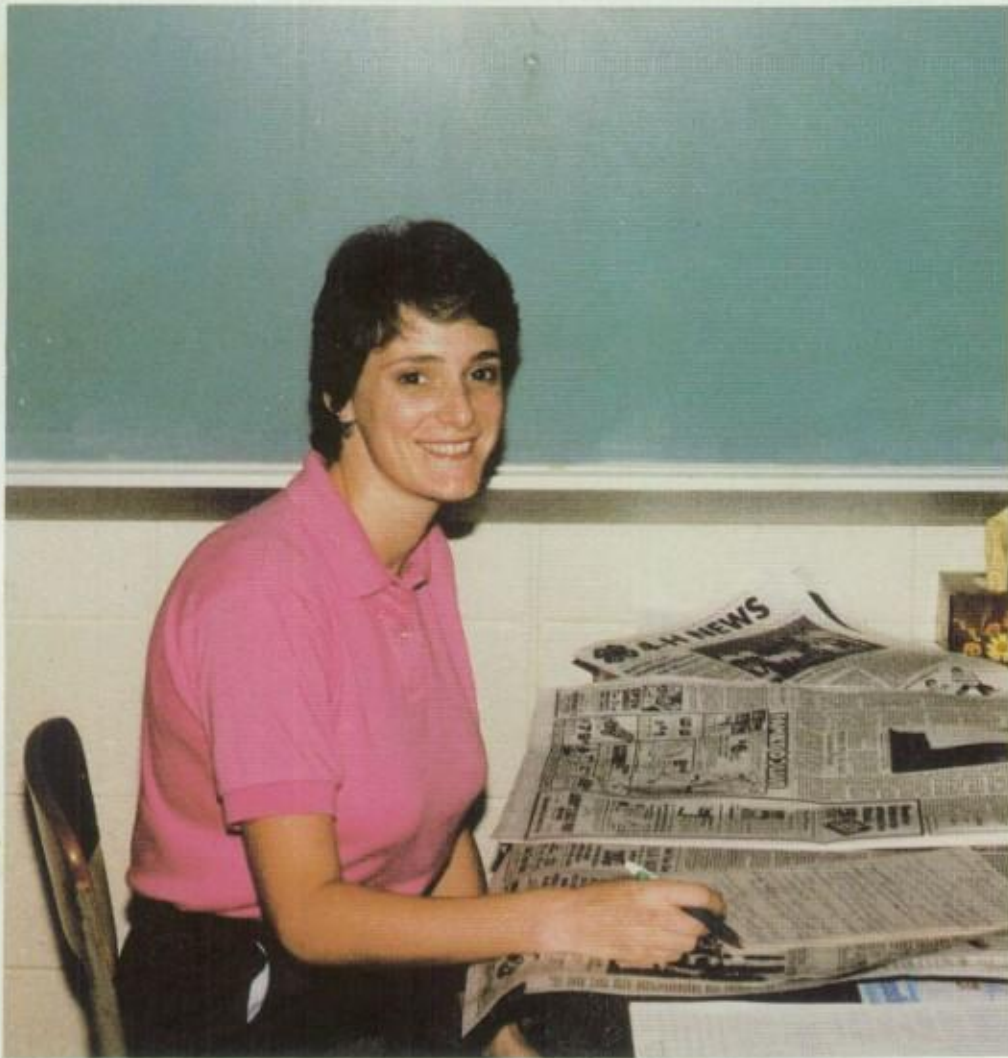

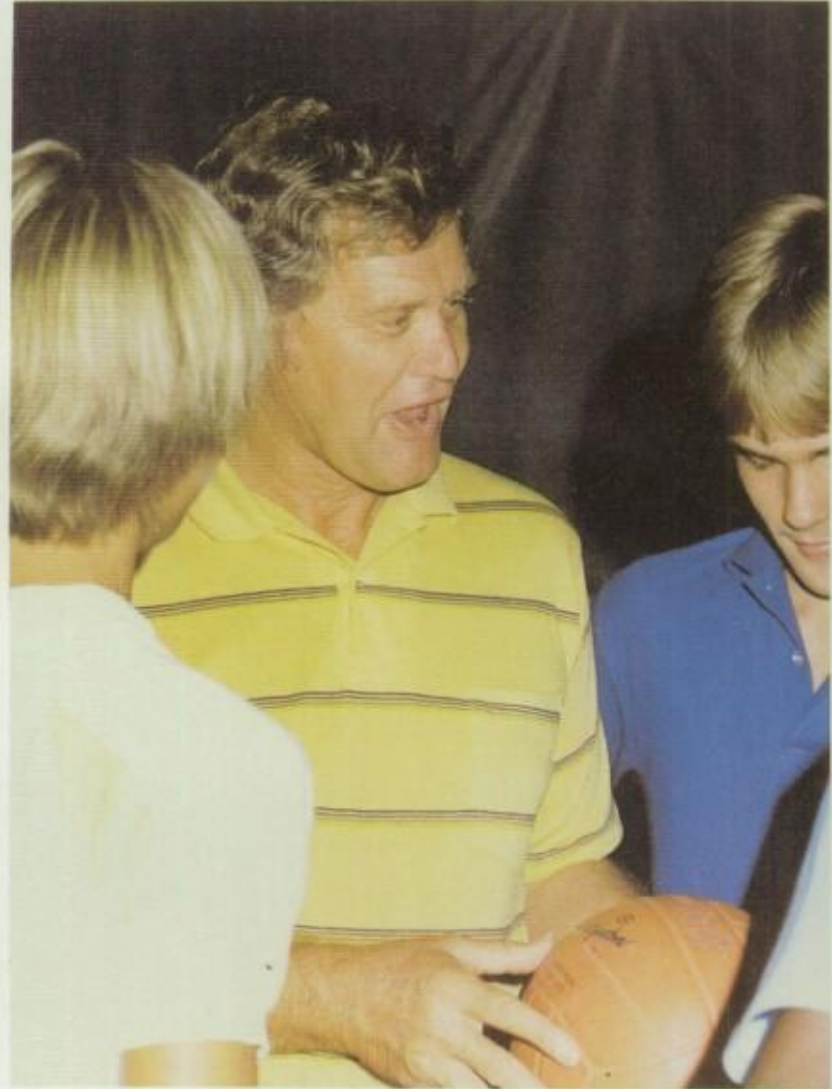

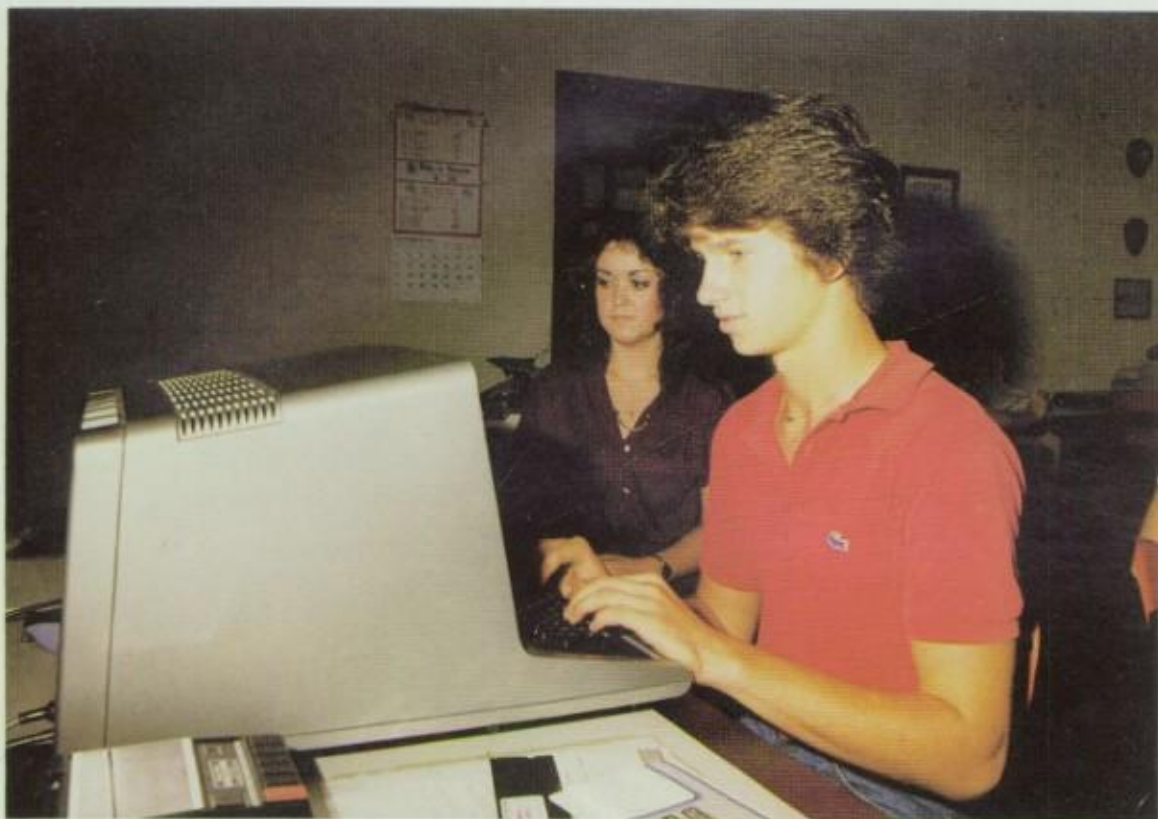

# CHANGES INEVITABLE

This year we experienced many changes at WBHS. Coach Horne transferred to the middle school after being here for eight years. Many of us were sad to see him go, but we all realize that things can't always stay the same . . . changes are inevitable.

The faces have changed this year also. One of the first changes noticeable was the fact that the seniors were gone. The halls seemed really empty that first week of school! Many freshmen and new teachers struggled with different surroundings, rules, and people.

Freshmen weren't the only new students. Besides the transfers from other schools, exchange students from three other countries — Norway, Spain, and Sweden — spent the year with us.

The lunchroom created a salad bar this year. As a result, students who normally didn't eat school meals started eating salads. Were you one of them?

The Business Department also had a new addition this year; however, their addition was not a person —

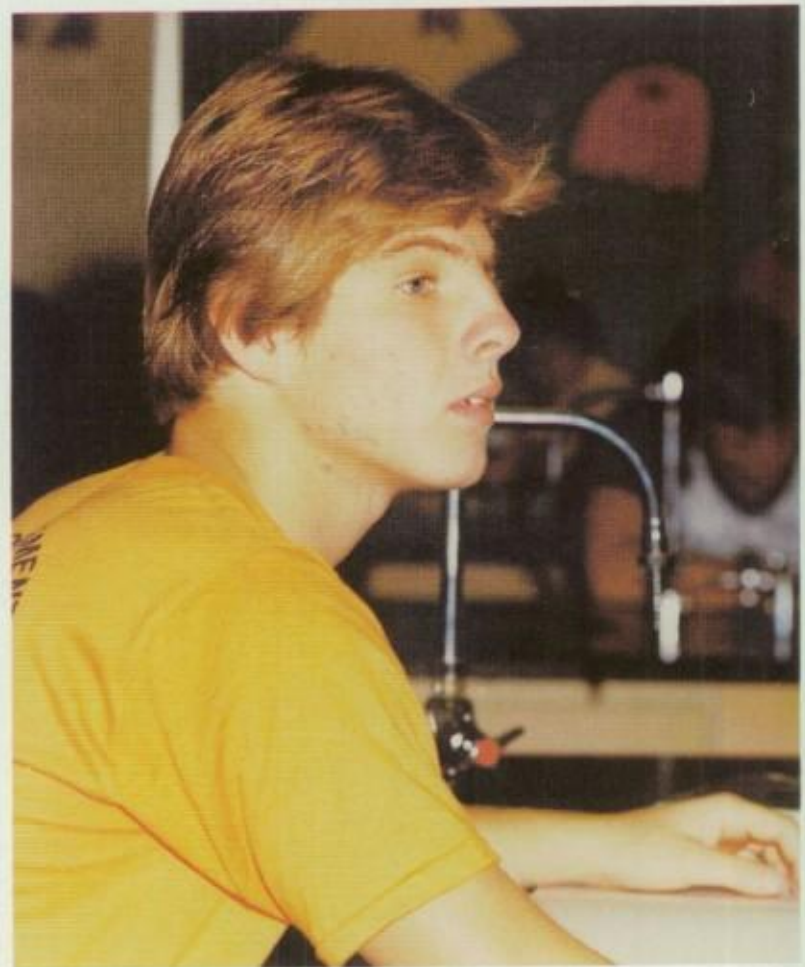

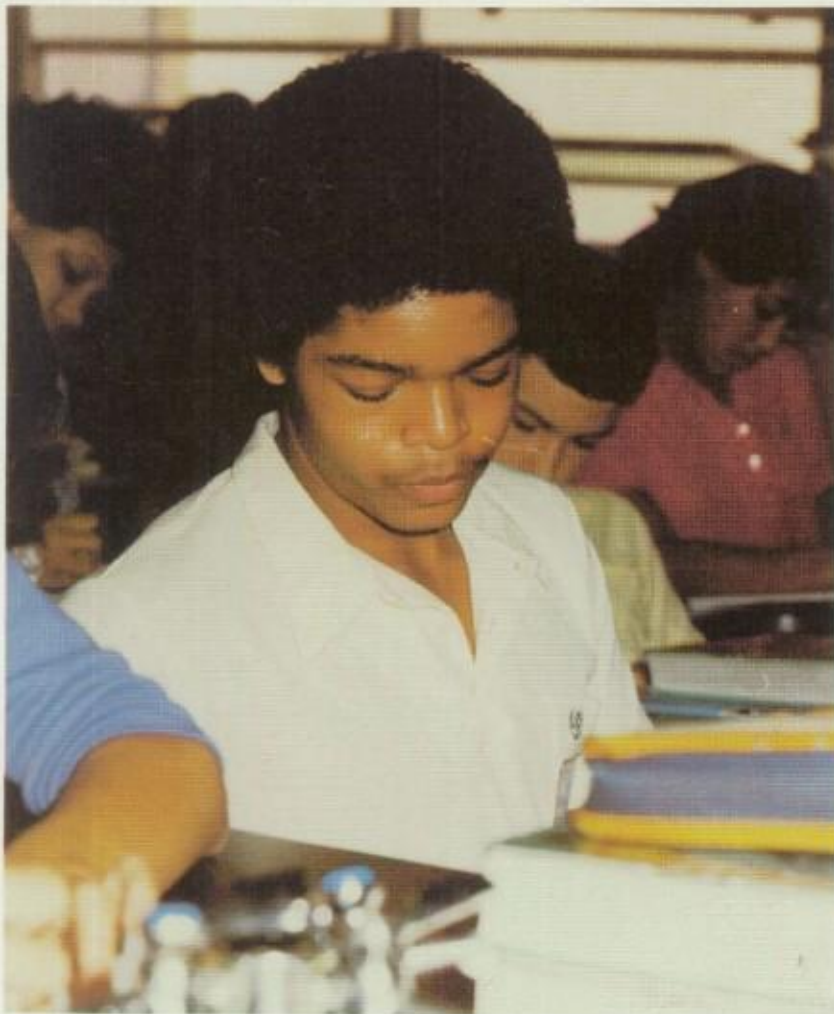

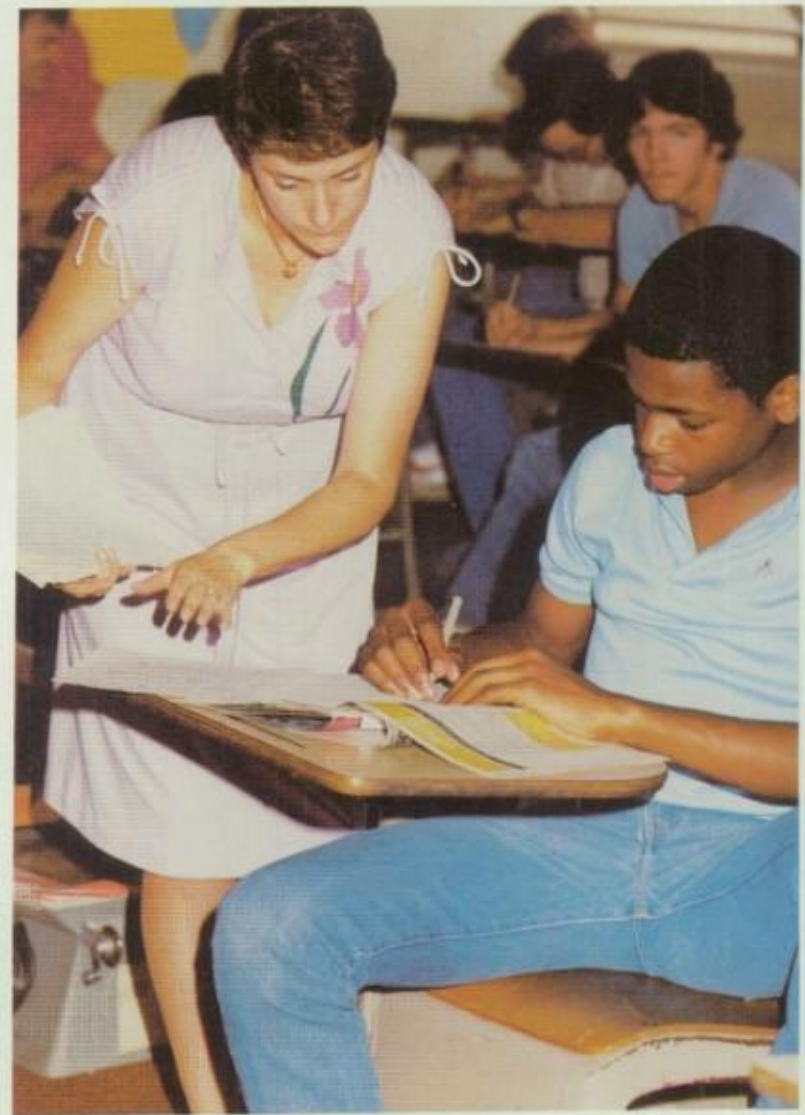

it was a computer! As a result, the Data Processing class was created. Students learned not only how to operate computers but also how to play games on it.

Life and its activities are always changing. WBHS is no exception.

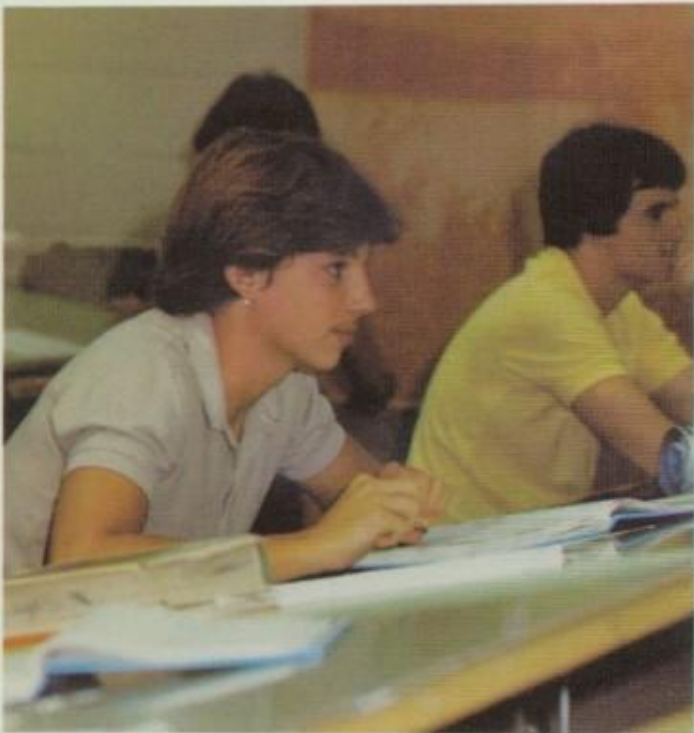

# VALUE OF AN EDUCATION

How do you feel about your education? Is it important to you? Do you have the sufficient amount to obtain your goal in life? In the future can you look back to your high school years and say that you tried, that you really did your best?

To most of us our education is more important to us than we realize. Sure, we know it's important but just exactly how important is it?

If we have a better education we'll be able to qualify for a better paying job and in turn, be able to buy cars and own our own homes. We will also be able to live comfortably and not have to worry about providing the rent each month.

For some an education means a new name or being noticed in this lifetime. An education may give satisfaction in our future by the jobs we choose and the way we live our life by applying the knowledge that we've obtained from our education.

We need to work harder, to make better grades, and to learn something instead of just remembering it until the test is over and then forgetting it. Our education will affect the way we live the rest of our lives so we need to get the most out of it that we can.

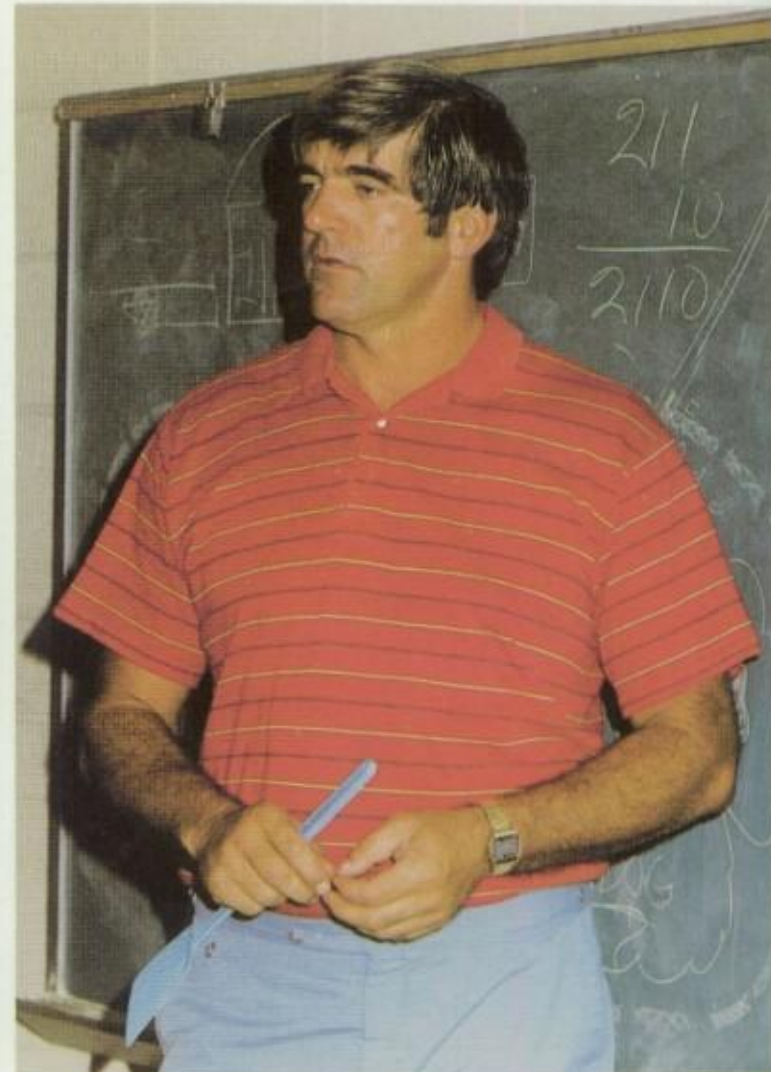

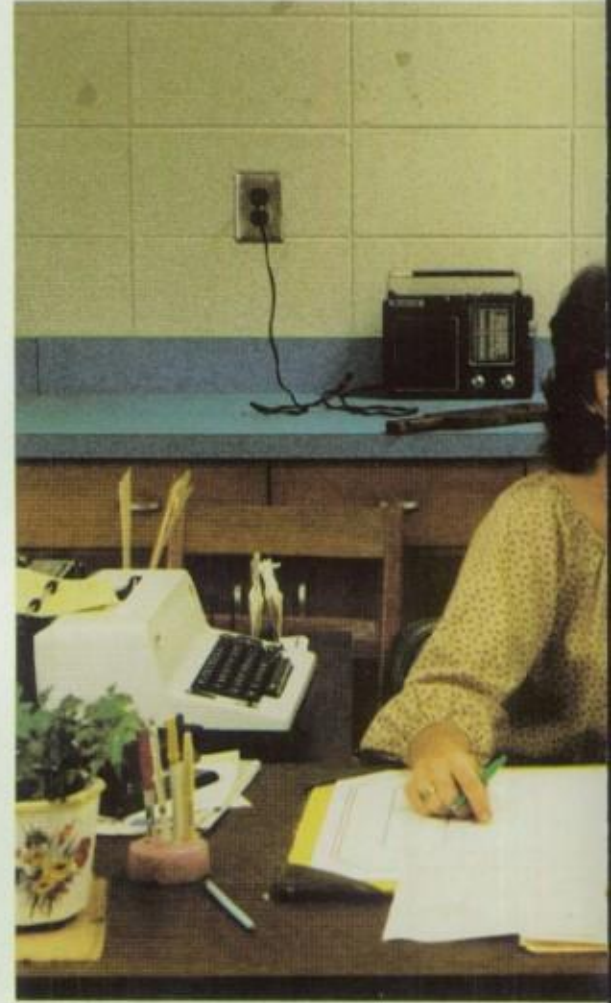

# STORIES OF SUCCESS

Many of us at WBHS become so absorbed in what we do that we don't realize that the teacher gives us all of that work for a good reason.

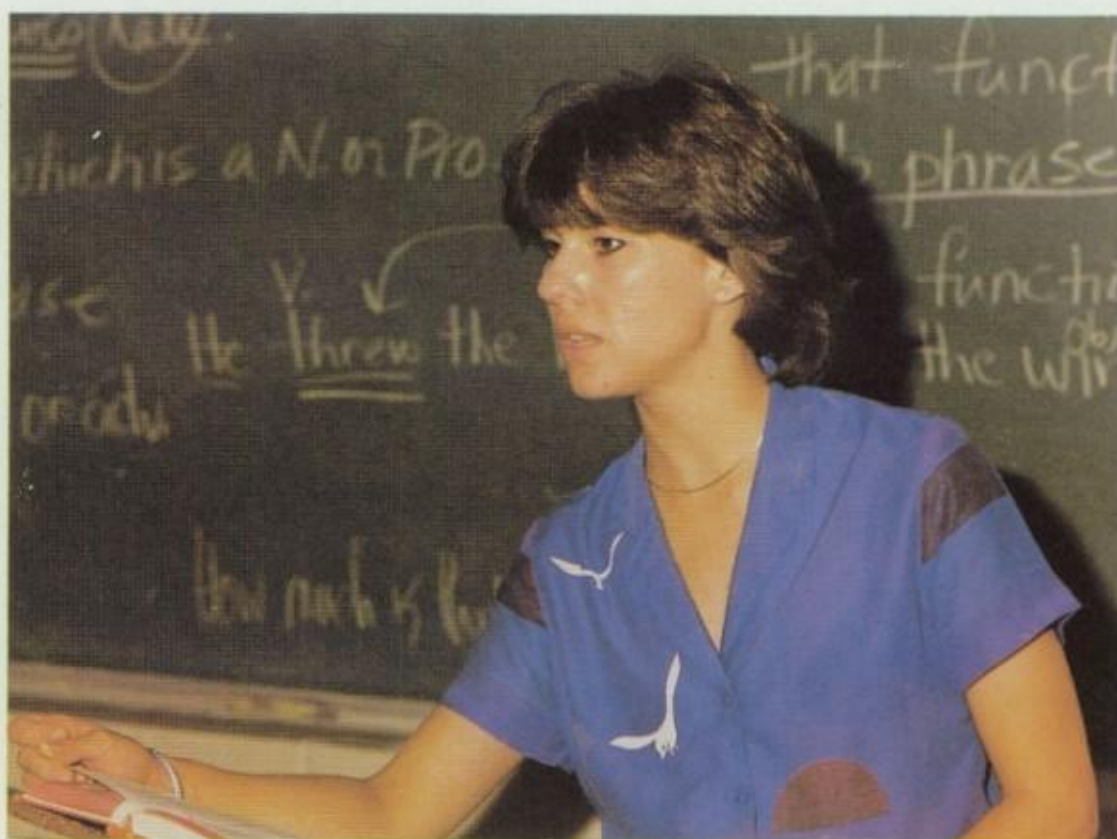

Sometimes we don't realize that the teacher, principals, and others who tell us what to do were once in our places.

Usually when we think of graduation we think of getting as far away from Winder, Georgia, as we possibly can. Besides, what's offered in Winder?

Well, Winder offers a lot if we know what we want. Many of our teachers and administrators grew up in Barrow County. These people wanted to do something to help their school and community. Now they are teaching and guiding us to help us make the right decisions about our future. They knew what they wanted, set their goals, and reached them. Everyone doesn't have to be a doctor or lawyer to be successful. No matter what our job is, if we're reaching toward our goal, we're being successful!

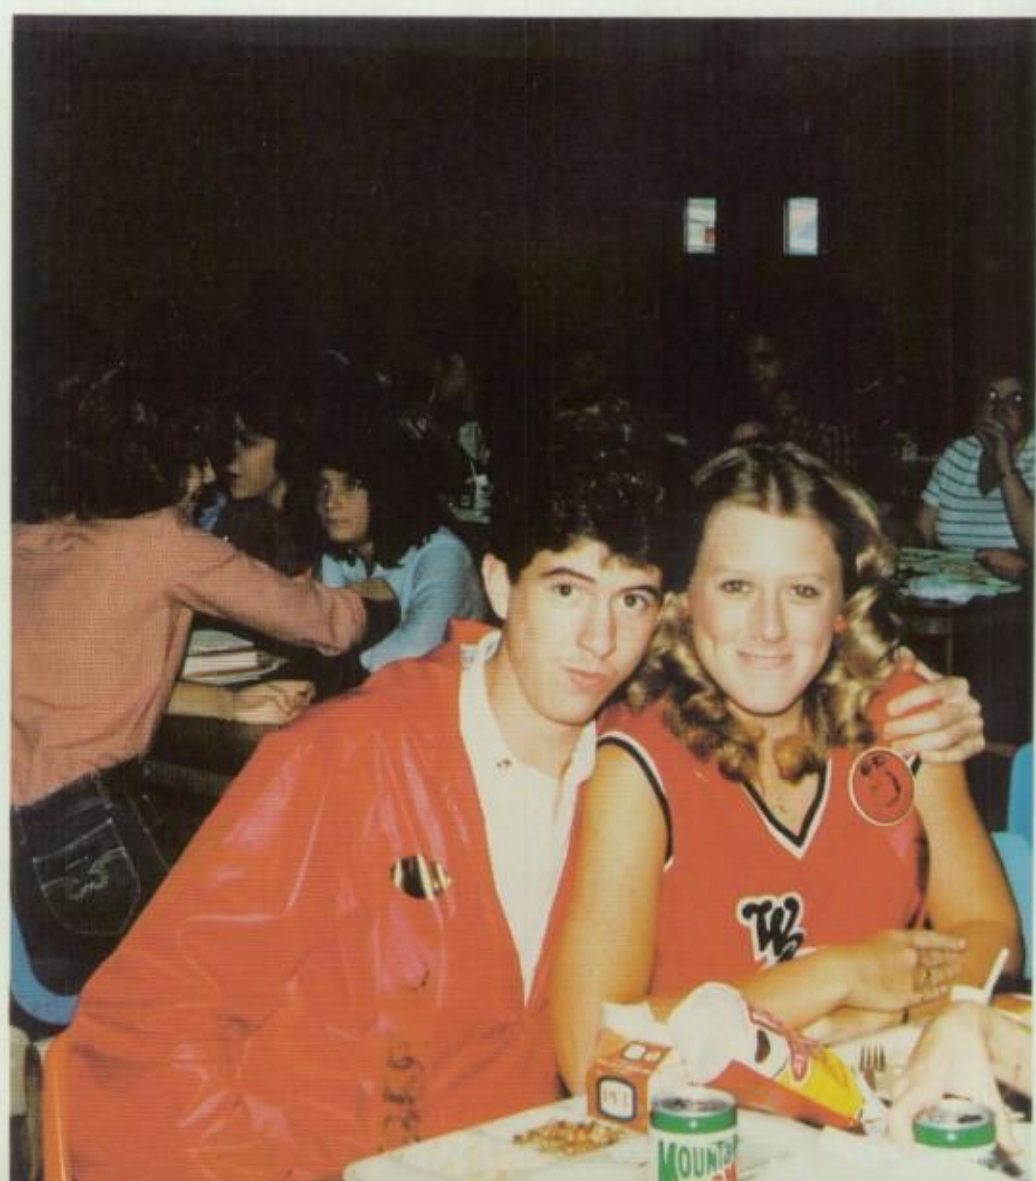

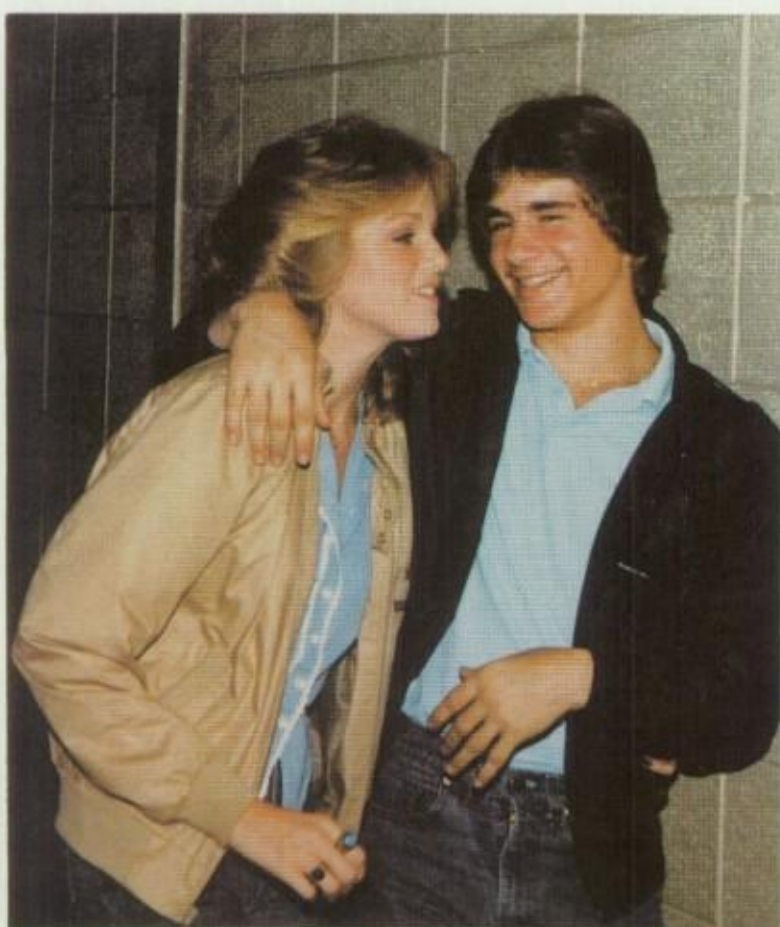

# DATING AND WAITING

There is nothing new to our school concerning dating and waiting. Teenagers at WBHS start dating at around the same age. Most girls start dating at sixteen and most guys at fifteen.

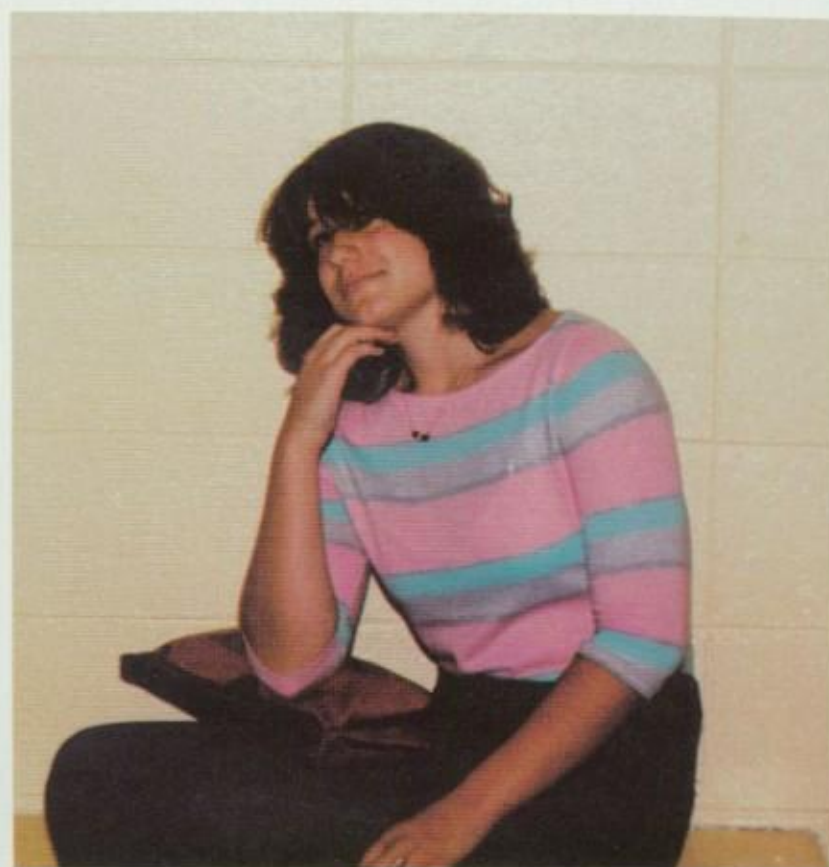

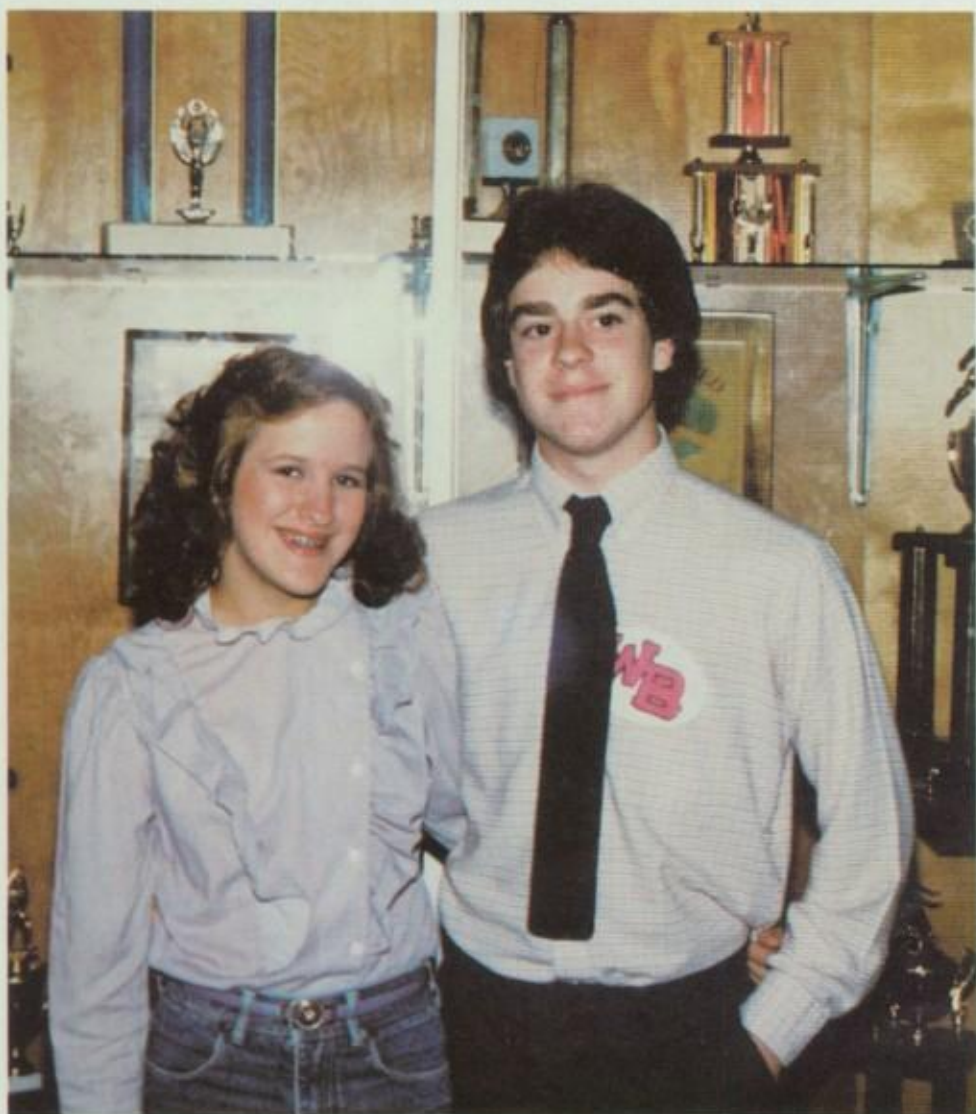

Girls are then faced with many decisions including: What will I wear? Will he like my new cologne? How does my hair look? How does my makeup look? It takes a lot of preparation to really get ready for those guys, especially if he's someone special or if you're going to a really nice place.

Boys are faced with just as many difficult decisions as girls. Will that girl I've liked for so long go out with me? What will I wear? Where will we go? Will I have enough money?

There are places that most enjoy such as attending weekend parties, football games, homecoming dances, and the Junior-Senior Prom.

Sometimes we find ourselves falling in love — not just liking someone a lot but really finding true love. We decide to spend the rest of our life with that special someone and so we marry. Many continue with their education while others decide to start a family right away.

Whether it's dating and waiting or marrying now, we'll all agree that dating is a part of everyone's life and so is enjoying yourself and having lots of fun!!!

# HARD TIMES

When we think of inflation, we usually associate it with affecting our parents, but it affects us too.

That dollar we worked so hard for just doesn't seem to stretch as far anymore. It seems as though we have to work twice as hard to have enough money to buy that same item we bought a few years ago.

As if we don't have a hard enough time getting money for things we want, there are things we need, like insurance for our automobiles, money to pay for maintenance expenses, clothes, and dates.

Either way you look at it, the problems of our economy affect us in some way or another. Times are hard and many of us are having to cut back on spending just to have enough to make ends meet.

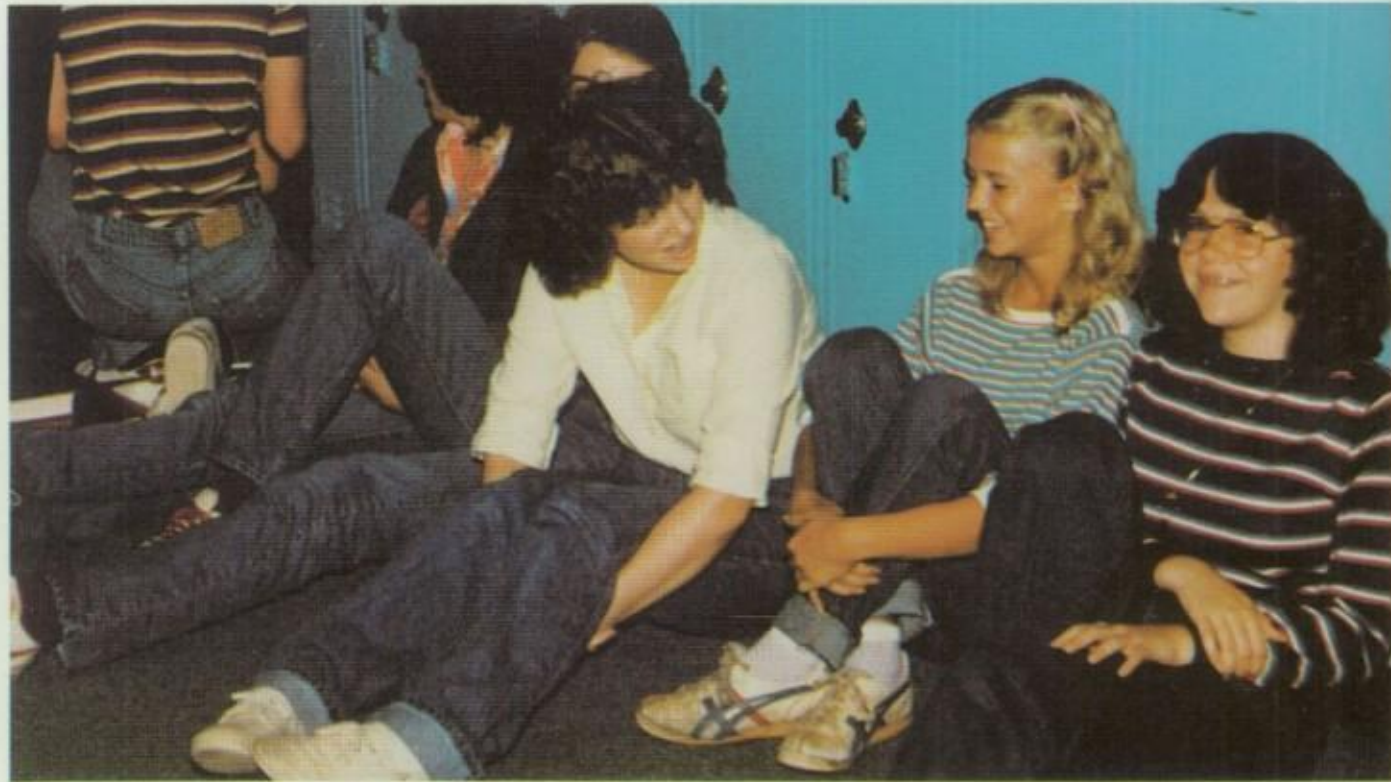

# THE BEST OF TIMES

Everyday as we look around us we can see problems including crime, poverty, and unemployment. We wonder about what things will be like for our kids because our economy doesn't seem to be getting any better. When we think about all of these problems, we think that certainly these must be the worst of times but when we think about it we realize that these are really the best of times.

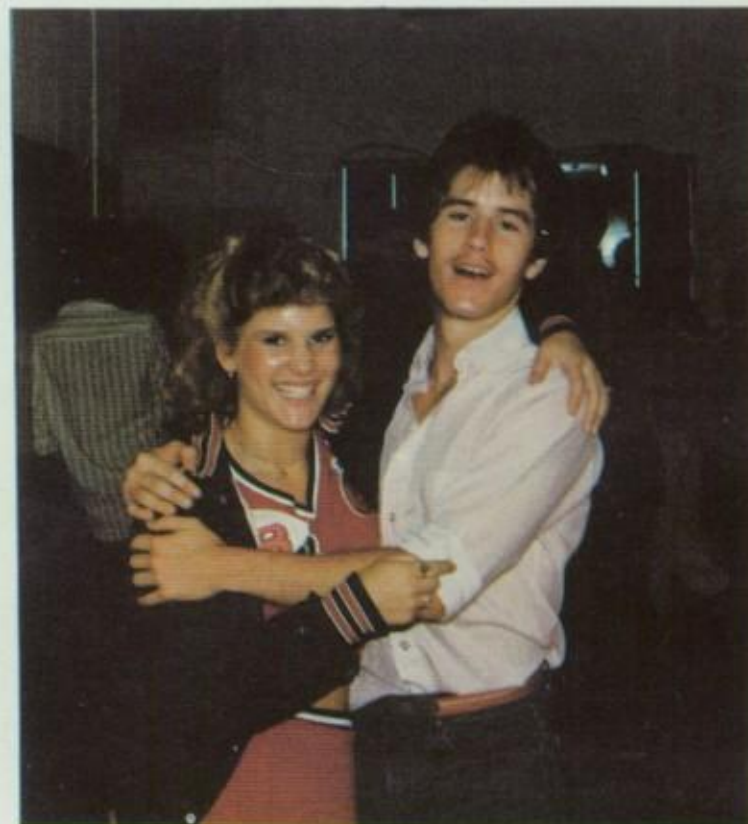

We are given the freedom to do the things we want to do and the freedom to choose who to do them with.

At the end of the day we rush for our cars and buses but usually not before saying a few last words to our friends. When we finally get home we head for the telephone to talk to our friends while listening to 96 Rock or some other radio station and stuffing our faces full of potato chips, cokes, and other junk foods.

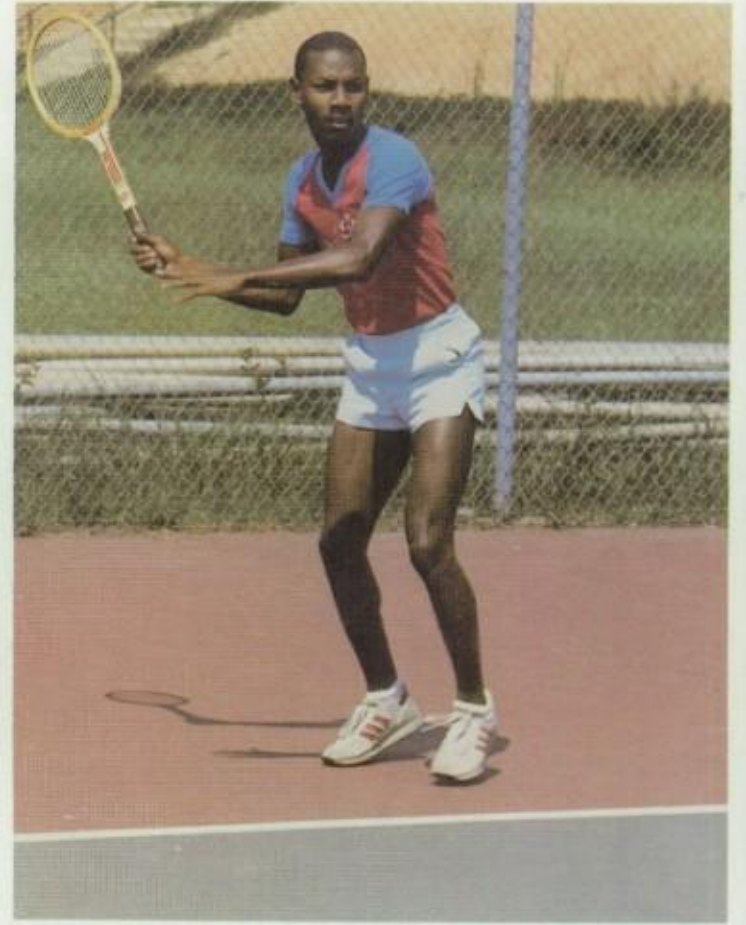

All in all, the good times outweigh the bad times, making these the best of times.

# MISS CHRISTMAS 1982

MISS MICHELLE SELLS

Michelle Thomason, Michelle Sells, Diane Forrester.

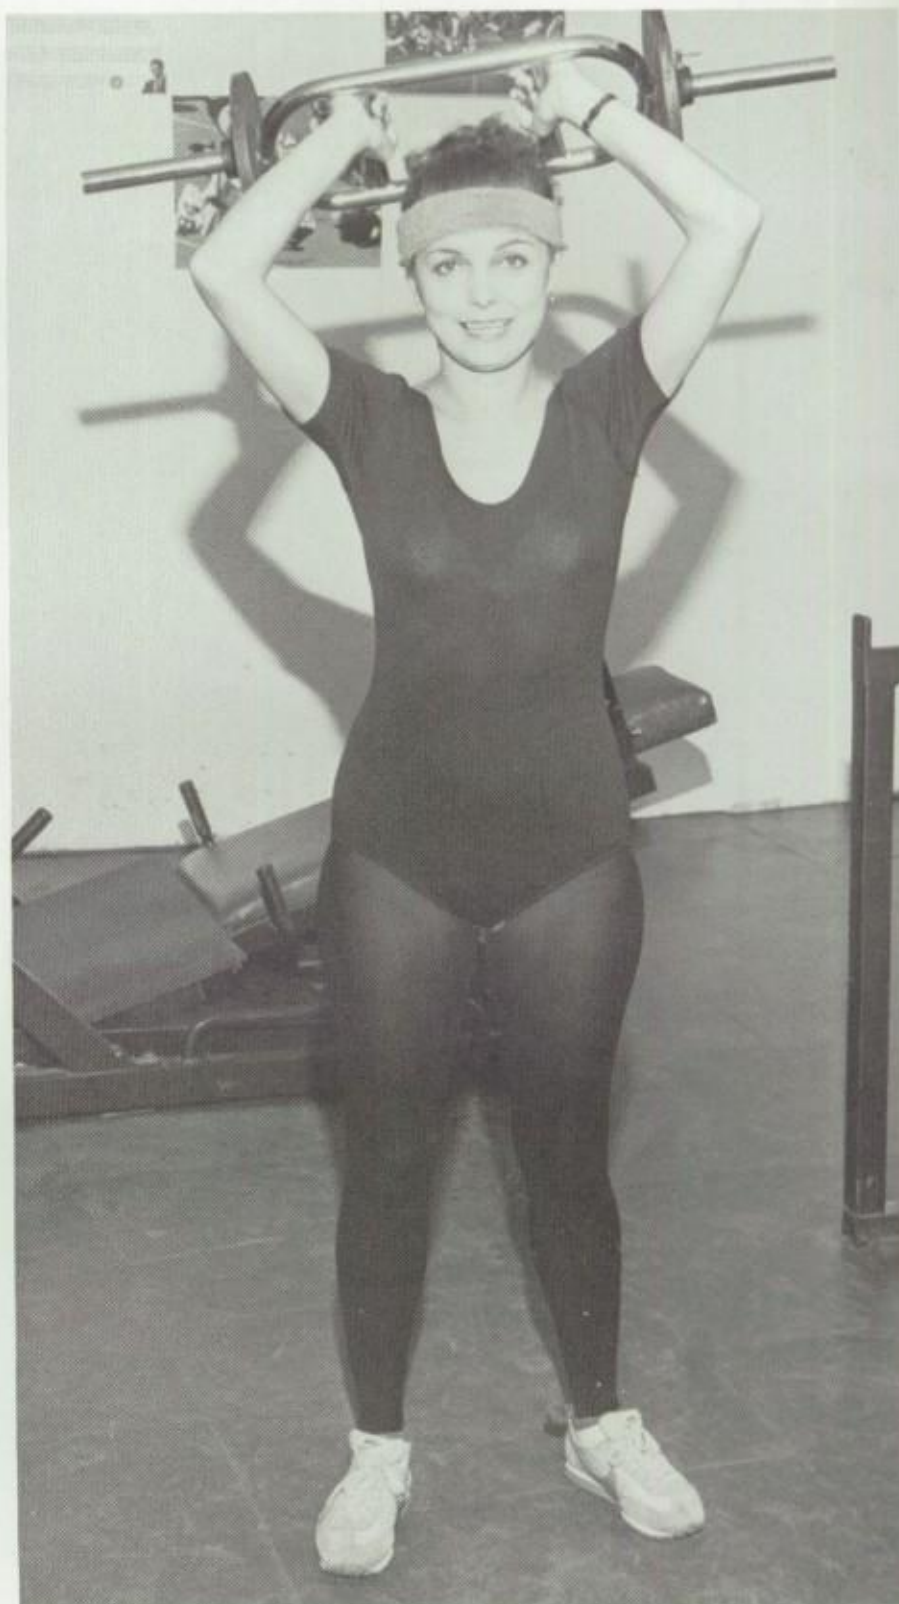

Michelle Sells, Student Council President — Darrell Ledbetter

Dorothy Witt is an exciting, outgoing young lady with a rather different hobby. In 4-H she became interested in cooking unusual and tasty foods. She entered an exhibit in Foods in 4-H for the North District Region and won. Then she went on to state to represent the North Georgia District with the same exhibit and came up with another winner. After winning, she was granted a trip to Chicago by the 4-H Club.

Most students know Mrs. Pierson as a Junior and Senior English teacher. She is the advisor of the Sr. Co-Ed Y-Club. You probably didn't know she is a dancer — an aerobic dancer. **Remember** you heard it here, folks! Prancing Pierson is taught by none other than Charlotte Barron.

## REAL PEOPLE

For two periods each morning the Living Skill class meets with Dr. Moore and his aide, Johnny Greenway. The students come over from the Middle School and meet in a regular homeroom. Next, they go to their Living Skills class. Their areas of instruction include pre-vocational skills training, citizenship, and home living.

The students are: Teddy Gilreath, Evette Little, Dana Brock, Jeff Smallwood, Scott Lovern, and Darin Segars.

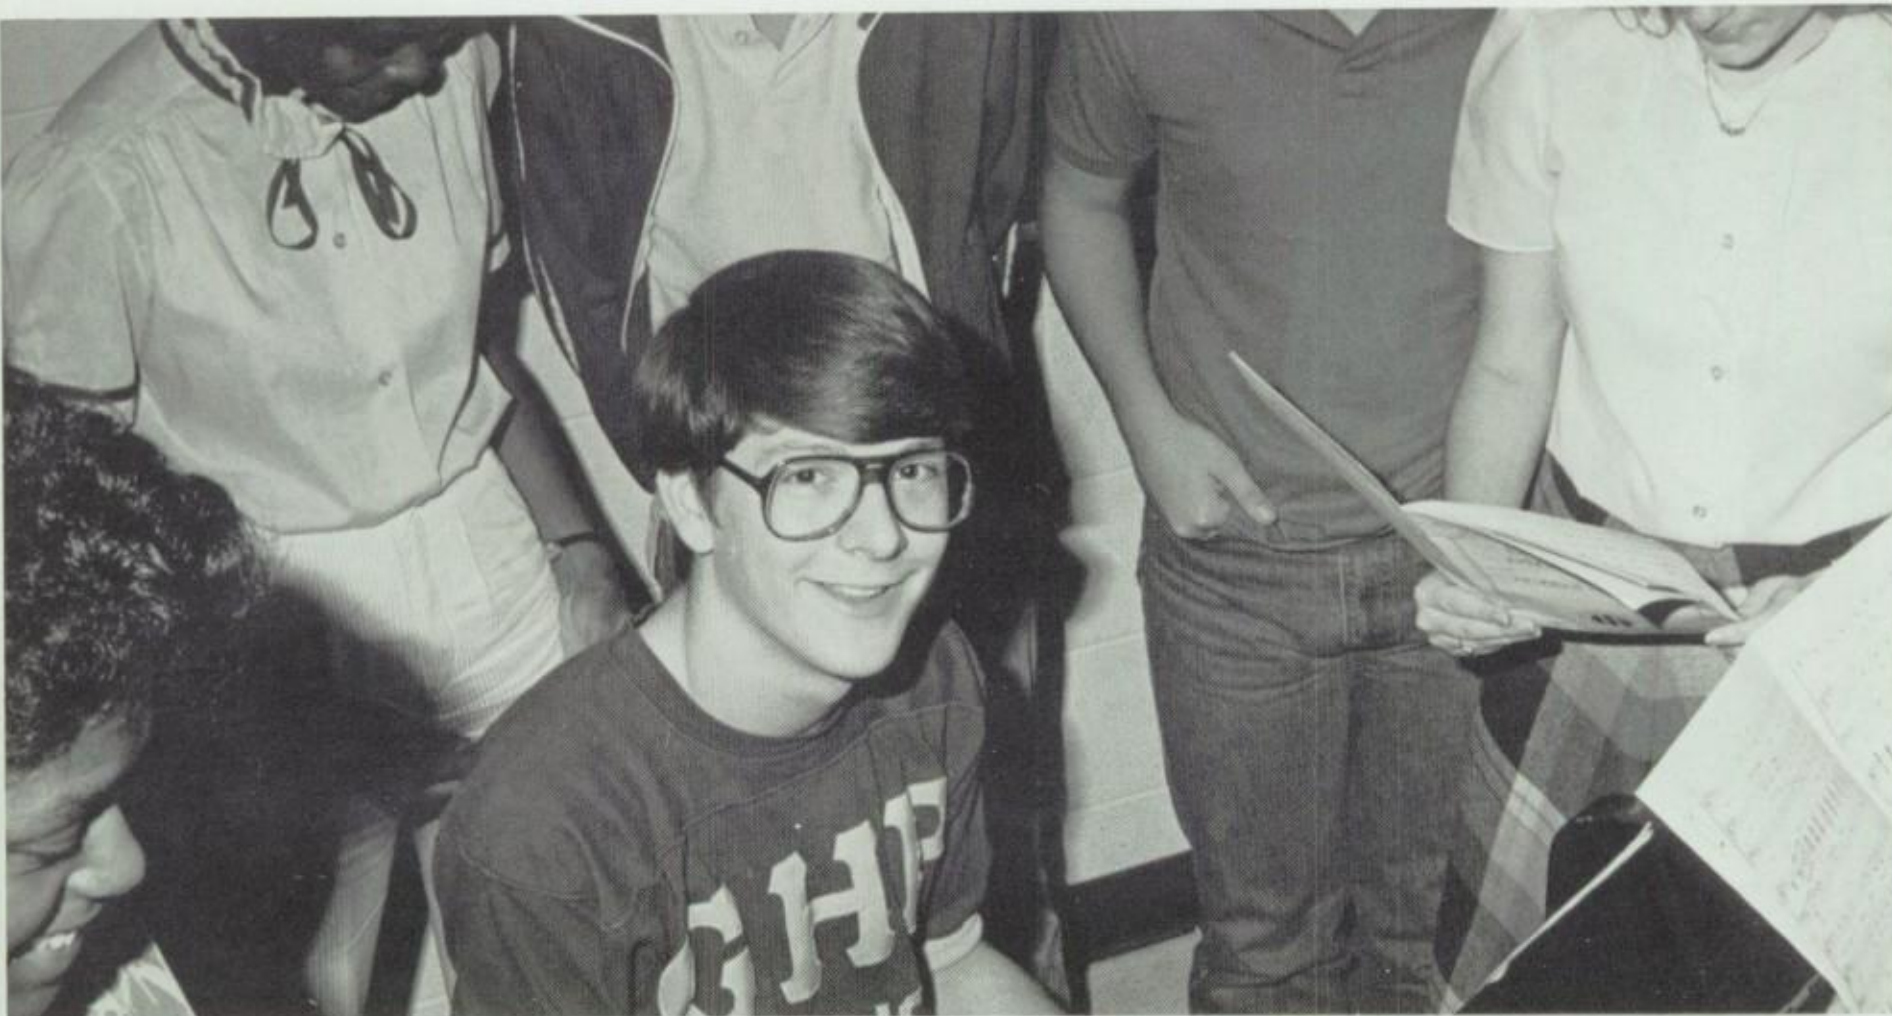

You probably know now that W.B.H.S. has some Foreign Exchange Students. Real People would like for you to meet them. They are Inger Lisa Finne from Larvik, Norway, Isabel Ines Triay from Barcelona, Spain, Mats Oskar Hedgardh from Sweden, and Alberto Matta from Brazil.

Paul Thurmond is really an All-American talented guy. He has been awarded almost every kind of award, particularly in music. Some of them are: The John Phillip Sousa Award and Who's Who in Music in American High Schools.

Paul plays the oboe, clarinet, saxophone, percussion, piano, and organ.

He has accompanied in plays such as: **Annie Get Your Gun; My Fair Lady; Oklahoma!; The Sound of Music; and Fiddler on the Roof.**

As you see, Paul knows his stuff.

What if the United States didn't have Senators? Well, you do not have to worry about that, as long as WBHS keeps sponsoring a program called Model Senate. The Model Senate met November 13, 1982. They made laws and passed bills.

## STAR TEACHER

Mrs. Poss is recognized as the 1982-83 Star Teacher. She and her husband have a daughter named Charlotte.

Mrs. Poss has taught for nine years. She teaches Chorus and Introduction to Music. She has team-taught Drama and has taught Freshman English. When Mrs. Poss was asked about Paul as a student she said, "He is conscientious, hard working, and has good sense of humor."

## STAR STUDENT

Paul Thurmond is recognized as the 1982-83 Star Student. He is the son of Mr. and Mrs. J. Harold Thurmond. Paul is in the Beta Club, Chorus, Symphonic Band, FCA, and is President of the Math Club.

When Paul was asked why he chose Mrs. Poss for his Star Teacher he said, "She has taught me alot about striving for the best that you can get out of life."

# LUNCHROOM AND CUSTODIAL STAFF

The Maintenance Staff at WBHS keeps the plant running smoothly whether we are in attendance or not. Ricky Casper, as maintenance supervisor, oversees the electrical, plumbing, and carpentry jobs that occur. Remember the roof that once leaked but now doesn't? Remember the warm classroom when the temperature was 30 degrees outside? What about the film screen to be installed? We have a terrific maintenance organization.

The lunchroom personnel at WBHS are what you would call "Lifesavers". Have you ever been in a class that's silent, then all of a sudden your stomach growls? How embarrassing! Just say you didn't eat any breakfast. All of a sudden you feel weak and you think "Oh, Lord, help me to thy lunchroom, and quick!" Yes indeed they are Lifesavers. They start working at 8:00 in the morning, so they can be ready for those 500 hungry kids and teachers.

Lunchroom Personnel, the kids and teachers at WBHS salute you!

# SENIOR CO-ED Y

The Senior Co-Ed Y is a Christian-oriented club. The members participate in the Powder Puff Football game each year and have both a school and a community project each month.

The club painted the reserved seats section in the football stadium and also repainted the band seats and the "WB" on the seats. They also donated \$200.00 to the lounge furniture at the beginning of the school year.

The Junior Co-Ed Y creates, maintains, and extends throughout the home, school, and community high standards of Christian character. The only requirements for entering are to support the purpose and pay the dues.

Activities in the spring included an ice cream social, a picnic, and devotional "teen talks". They also helped a needy family after a fire and cleaned the faculty lounges.

The Junior Co-Ed Y has two projects per month. This year they held an ice cream social for the teachers, sponsored a talent show, hosted the N.E. District Program Planning Rally, and attended conferences.

# SPANISH

The Spanish Club promotes interest in Hispanic cultures. A student currently or previously enrolled in Spanish is eligible to become a member.

Activities like pinata parties, slide shows, and a toga party help members to understand the culture.

Anchor Admiral: Jeff Steed

The Anchor Club develops initiative, leadership, and personal integrity through service to our school and community. Ten sophomores are tapped each April for membership the next year. Each member must have an 85 average to be selected.

During the spring the club participated in the International Safety Awards Program sponsored by Pilot International and received a third place award and \$200.00.

This year, they had a "Tea for Teachers" during preplanning week, worked with senior citizens, helped with the Mock Senate, and helped the community theatre. They also adopted grandmothers or grandfathers during the year and helped them in any way they could.

# FUTURE BUSINESS LEADERS OF AMERICA

F.B.L.A. helps students become aware of the business world and job requirements and trends. The requirement for membership is current or previous enrollment in a business course.

They attended a state conference in Atlanta and won three awards. They have also appeared on the Jerry Lewis Telethon twice, once in 1981 for collecting the most money for muscular dystrophy and once in 1982 for tying second place.

The also adopt a needy family at Christmas each year and have secret pals.

# CANDIDS

## THE OLD AND . . .

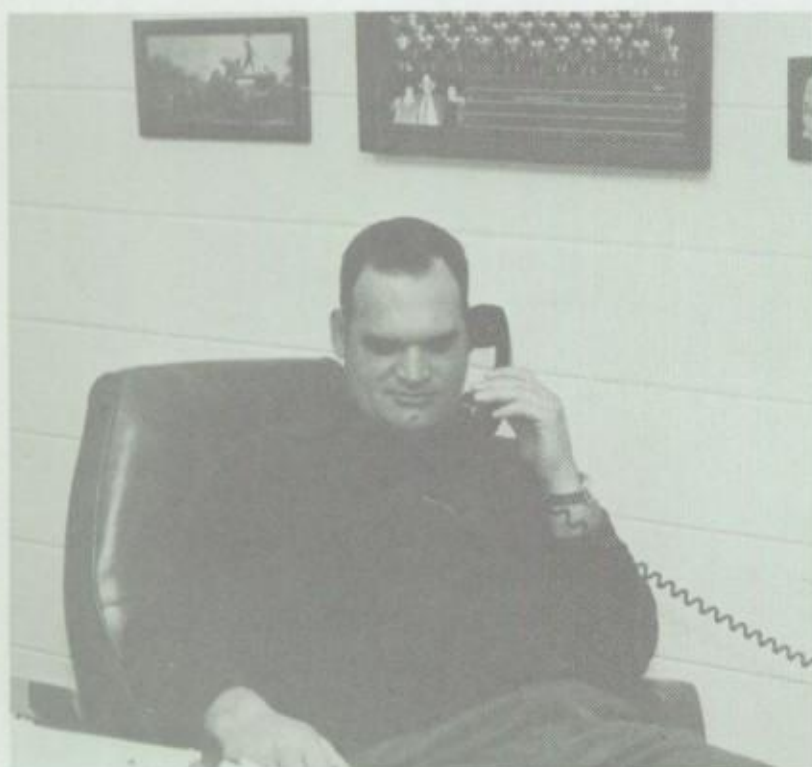

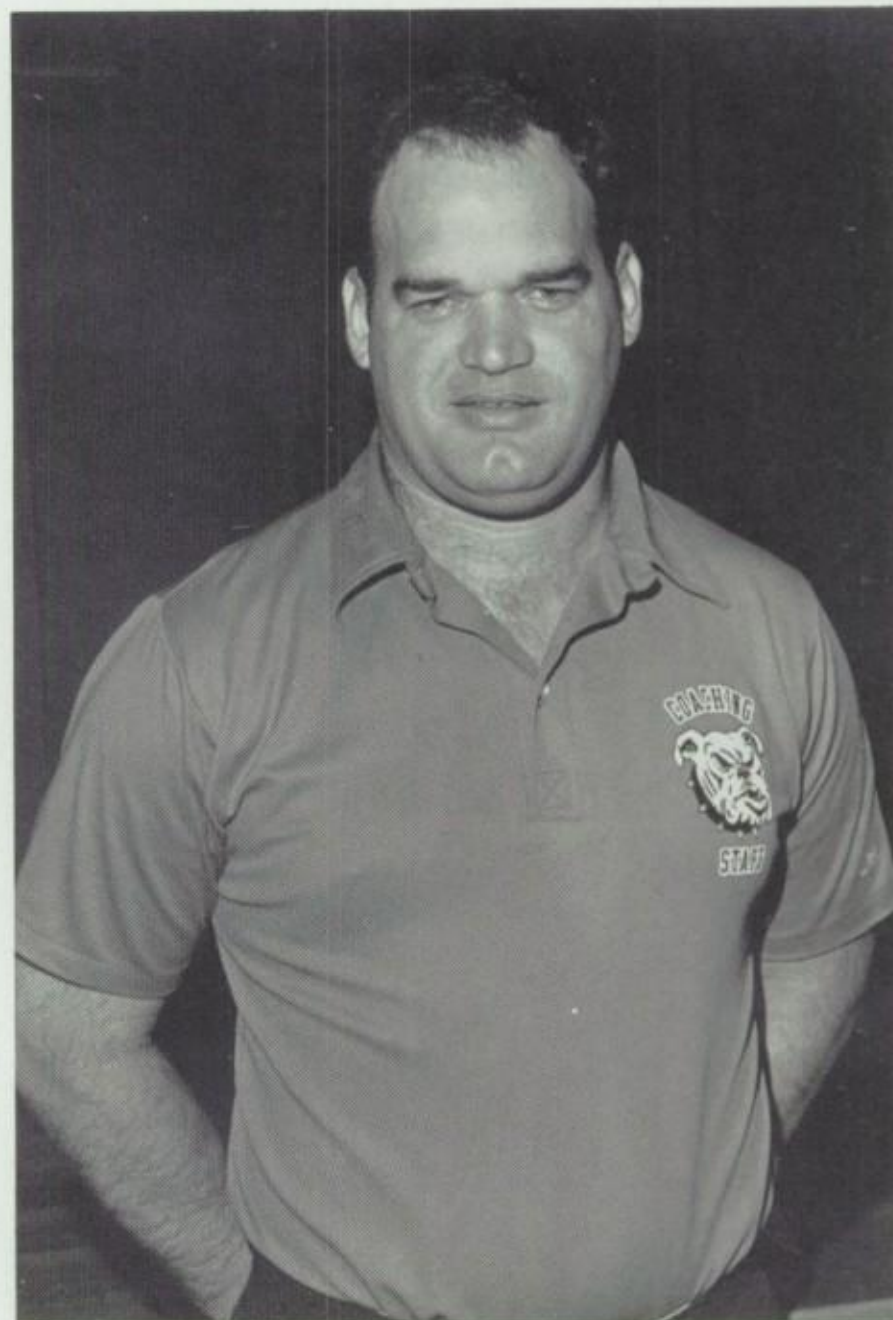

Coach Charlie Horne left WBHS for WBMS at the end of the 1981-82 school year. Students remember this man for his craftsmanship and for his attitude toward freshmen. One student noted his lack of class consciousness. To him all students — freshman or senior — were given his attention. Another student remembered the handmade handpads he made for the football players.

# THE NEW!

Coach Don Elam, named Athletic Director of WBHS, told the students, "The will to prepare should be even greater than the will to win". The plans for the athletic program included a continuation of sports from the middle school to here and installation of a Fellowship of Christian Athletes. The challenge for a successful program is being met through Coach Elam's dedication and patience.

**There's never been a better time to discover Walton Clothes.  
You'll pay a lot less for clothes you'll wear a lot more.**

Investment dressing is big news these days. Men are choosing simple, classic, well-made clothes. Clothes they feel good in. Look good in. Year after year. But the best news is you can get into investment dressing without a big investment. At Walton Clothes. When you buy from Walton, you're buying directly from the manufacturer, so there's no regular retailer's mark-up. On top of that, you get to choose from thousands of superbly tailored suits, sport coats and slacks. Think about it. Where else could you pay so little to look so good?

I'm writing in Purple incase you can't tell! — Wen 43 MIKE !!!

Reserved for "Wendy Benton"

Michael,

Since we started going together it's been the best time of my life & I'm glad I got the chance to know you. You mean more to me than anyone ever has before and I hope we stay together forever! Sure we have our share of ups & downs but who doesn't? I'm sorry we had our last fight but this time our terrible problem of "someone" is over for good. But, in a way I think each one draws us closer together. And any girl who tries to take you away from me will have to deal with me first — (including my great sister, Terri! Joking — Ha! Ha!) I hope we get to spend alot more time together this summer. And, I hope there are no more long vacations in our way! Ha! You're a very sweet & cute guy & I'm lucky to have you!!! I love you & don't ever forget that or me!!! Please!!!

Love ya!

Love & Kisses,

Wendy

Really!

P.S. I hope we have "some" together next year, too! (But why wait till then? Ha! Ha!) & I would wish you good luck with those ah "girls" but it seems you've already got that! What can you say, right? Oh well, let's hope you never need that because you're already going with me! Bye!
